QUOTED. Jan. 18, 2017. Jeff Shuren.

by

Check out what FDA device director Jeff Shuren had to say about his center's path to simplicity, one part of CDRH's three-year strategic priorities.

"Too often, as new issues arise, we add on new policies and processes, which creates additional steps, rather than sometimes going back, revisiting, and maybe redesigning what we do so we can achieve our objectives more efficiently." –Jeff Shuren, Director, US FDA Center for Devices and Radiological Health
