Check out what Geisinger orthopedic surgeon Michael Suk had to say about the organization's new partnership with hip-device firm Medacta International.

"When it comes to the hip replacement pilot program, we're saying to our patients that the level of service is so exemplary, that if there's a problem tomorrow or 20, 30 or 40 years from now, we'll take care of it." –Michael Suk, chair, Geisinger Musculoskeletal Institute
