# Device Week, Jan. 18, 2019 – Key Topics At This Year's JP Morgan Healthcare Conference

by [Marion Webb](#)

On this week's podcast, *Medtech Insight's* Catherine Longworth chats with Marion Webb about some key takeaways from this year's JP Morgan Healthcare Conference. That includes a Q&A with Smith & Nephew's new CEO Namal Nawana on his growth strategy for the British medtech giant, new partnership announcements between medtech and tech companies, and trends in digital health.
