QUOTED. Feb. 1, 2019. Glen Tullman.

by

Livongo strengthened its behavioral health digital health offerings with its acquisition of myStrength. Company chairman Glen Tullman touts the key benefit of the combined firms' full offerings here.

"People love that there is only one place to go to each day to manage everything – to manage their conditions, to manage their meds, and even if they want to talk to a certified diabetes educator or someone to consult on their diet, weight management." – Glen Tullman, executive chairman, Livongo
