Device Week, March 22, 2019 – Goings-On At US FDA

by [Shawn M. Schmitt](#)

In this week's podcast, senior reporters Elizabeth Orr and Ferdous Al-Faruque give a quick rundown of FDA goings-on the device industry should keep a sharp eye on, including a reorganization of the Center for Devices and Radiological Health, remarks from outgoing agency head Scott Gottlieb on laboratory developed tests, and news from a recent FDA neurological devices advisory panel meeting.
