QUOTED. 1 August 2019. Scott Whitaker.

by

Republican leaders in the US Congress want swift passage of the US-Mexico-Canada trade agreement. The device industry would benefit greatly from the USMCA, AdvaMed president and CEO Scott Whitaker says.

“Our industry has developed a vibrant two-way trade relationship in Mexico. Components and products crossing the border multiple times ... provide American workers with good-paying jobs.” – Scott Whitaker, president and CEO, AdvaMed
