QUOTED. 27 August 2019. Thierry Herbreteau.

by

Peters Surgical CEO Thierry Herbreteau says big medtech firms will likely be able to cope with the implementation of the EU's new Medical Device Regulation (MDR). Rather, he's worried about how start-up companies will fare. See what Herbreteau said here.

"For start-ups, it's a disaster." – Thierry Herbreteau, CEO, Peters Surgical
