Device Week, 31 January 2020 – Q4 2019 Earnings And A New UK Innovation Report

by [Reed Miller](#)

In this week's podcast, *Medtech Insight* reporter Catherine Longworth chats with deputy editor Reed Miller about fourth-quarter 2019 sales and earnings reports coming in from the big medical device companies. She also reports on the findings of a new innovation report published by the UK Medical Technology Group.
