# Device Week, 9 July 2020 –Transcatheter MV Repair CMS Coverage Update; Chats With Boston Scientific, Protaryx

by [Phil Greenfield](#)

In this week's podcast, *Medtech Insight's* managing editor Marion Webb chats with editor-in-chief Phil Greenfield about start-up Protaryx Medical, which raised \$8.3m to develop a universal catheter system for delivering beating heart treatments. Deputy editor Reed Miller discusses proposed updates by the Centers for Medicare and Medicaid Services for coverage of transcatheter mitral valve repair and reporter Catherine Longworth talks about her Exec Chat on digital transformation in health care with Boston Scientific's Angelo De Rosa.
