# Device Week, 23 October 2020 – Conference Spotlight TCT, HLTH

by [Marion Webb](#)

In this week's podcast, *Medtech Insight's* managing editor Marion Webb has an update from the virtual HLTH panel discussions on telehealth and robotics. Deputy editor Reed Miller discusses trial results from Boston Scientific's next-generation Accurate neo2 self-expanding aortic valve presented during the Transcatheter Cardiovascular Therapeutics (TCT) meeting.
