A proposed rule released last month by the US Department of Health and Human Services is the Trump administration's "latest attempt to sabotage HHS programs," wrote Jessica Schubel, a senior policy analyst for the Center on Budget and Policy Priorities. See what the policy expert said about it in her blog post [here](#).

"The SUNSET rule would disrupt work on program operations and force the [Biden] administration to delay adopting its health care priorities." – Jessica Schubel, senior policy analyst, Center on Budget and Policy Priorities
