QUOTED. 14 January 2021. Stephen Hahn.

by

Outgoing US FDA chief Stephen Hahn told reporters that he plans to seek a posting in public health, where he can increase equity and help in the fight against COVID-19.

“I am so dedicated to the public health of this nation – to increasing equity, to helping those who have been most affected by this pandemic, and trying to help with the underlying issues that are associated with that. And I am so proud of the dedicated career scientists and doctors, nurses and pharmacists at FDA.” – Stephen Hahn, commissioner, US FDA
