

21 Jan 2021 | Analysis

Device Week, 21 January 2021 – EY M&A Firepower; JPM, NANS Events Highlights; CorWave Profile

by [Marion Webb](#)

In this week's podcast, *Medtech Insight's* managing editor Marion Webb and deputy editor Reed Miller discuss highlights from the recent J.P. Morgan Healthcare and North American Neuromodulation Society (NANS) virtual meetings. And London-based reporter Barnaby Pickering profiles start-up CorWave SA, which developed a left ventricular assist device for treating end-stage heart failure.
