# Device Week, 1 October 2020 – MDUFA And MCIT In Spotlight At AdvaMed's MedTech Conference

by [Ferdous Al-Faruque](#)

In this week's podcast, reporters discuss the high points of the recent AdvaMed MedTech Conference. Ferdous Al-Faruque goes in-depth on FDA comments about user fees, while Brian Bossetta discusses varying points of view on Medicare coverage of breakthrough devices – including the crucial role of real-world evidence.
