# Device Week, March 29, 2019 – UK Oxfordshire Wants To Become 'Digital-Health' Hub; Robotics, Trials And Innovation At AAOS

by Catherine Longworth

In this week's podcast, *Medtech Insight's* Catherine Longworth discusses UK Oxfordshire's plans to create a regional "digital-health" hub. And Marion Webb talks about meeting with leaders from Zimmer Biomet and DePuy Synthes to discuss robotic systems and other solutions presented at the recent American Academy of Orthopedics Surgeons' conference in Las Vegas.
