Speaking Of Medtech, Ep. 6: 2022 Predictions For FDA's Device Center

by [Steve Silverman](#)

In this episode of Speaking Of Medtech we're breaking out the crystal ball to give a few predictions of what could be in store this year for industry and the US FDA's Center for Devices and Radiological Health. From the ongoing COVID-19 pandemic to digital devices and facility inspections, there's a lot of ground to cover.
