Medtech Connect Episode 10: Breaking Down The Transitional Coverage Of Emerging Technologies

by [Hannah Daniel](#)

In this episode, *Medtech Insight* regulatory reporter Hannah Daniel speaks to Washington Analysis vice president and senior healthcare analyst John Leppard about the Center for Medicare and Medicaid's Transitional Coverage Of Emerging Technologies pathway, or TCET. He breaks down the pathway and discusses its pros and cons, as well as potential next steps for the agency. We also explore the history of breakthrough device coverage as well as the challenges for coverage of digital health devices.
